

The background of the image is a blurred screenshot of a financial trading platform. It features multiple panels: a top panel with a table of market data, a middle panel with a line chart for EURUSD, and a bottom panel with a candlestick chart. A solid blue rectangular overlay covers the left and center portions of the image. Within this blue area, a white-bordered box contains the text 'INA DATA INTEGRATION'. The overall aesthetic is professional and tech-oriented, typical of a fintech or data services company.

# INA

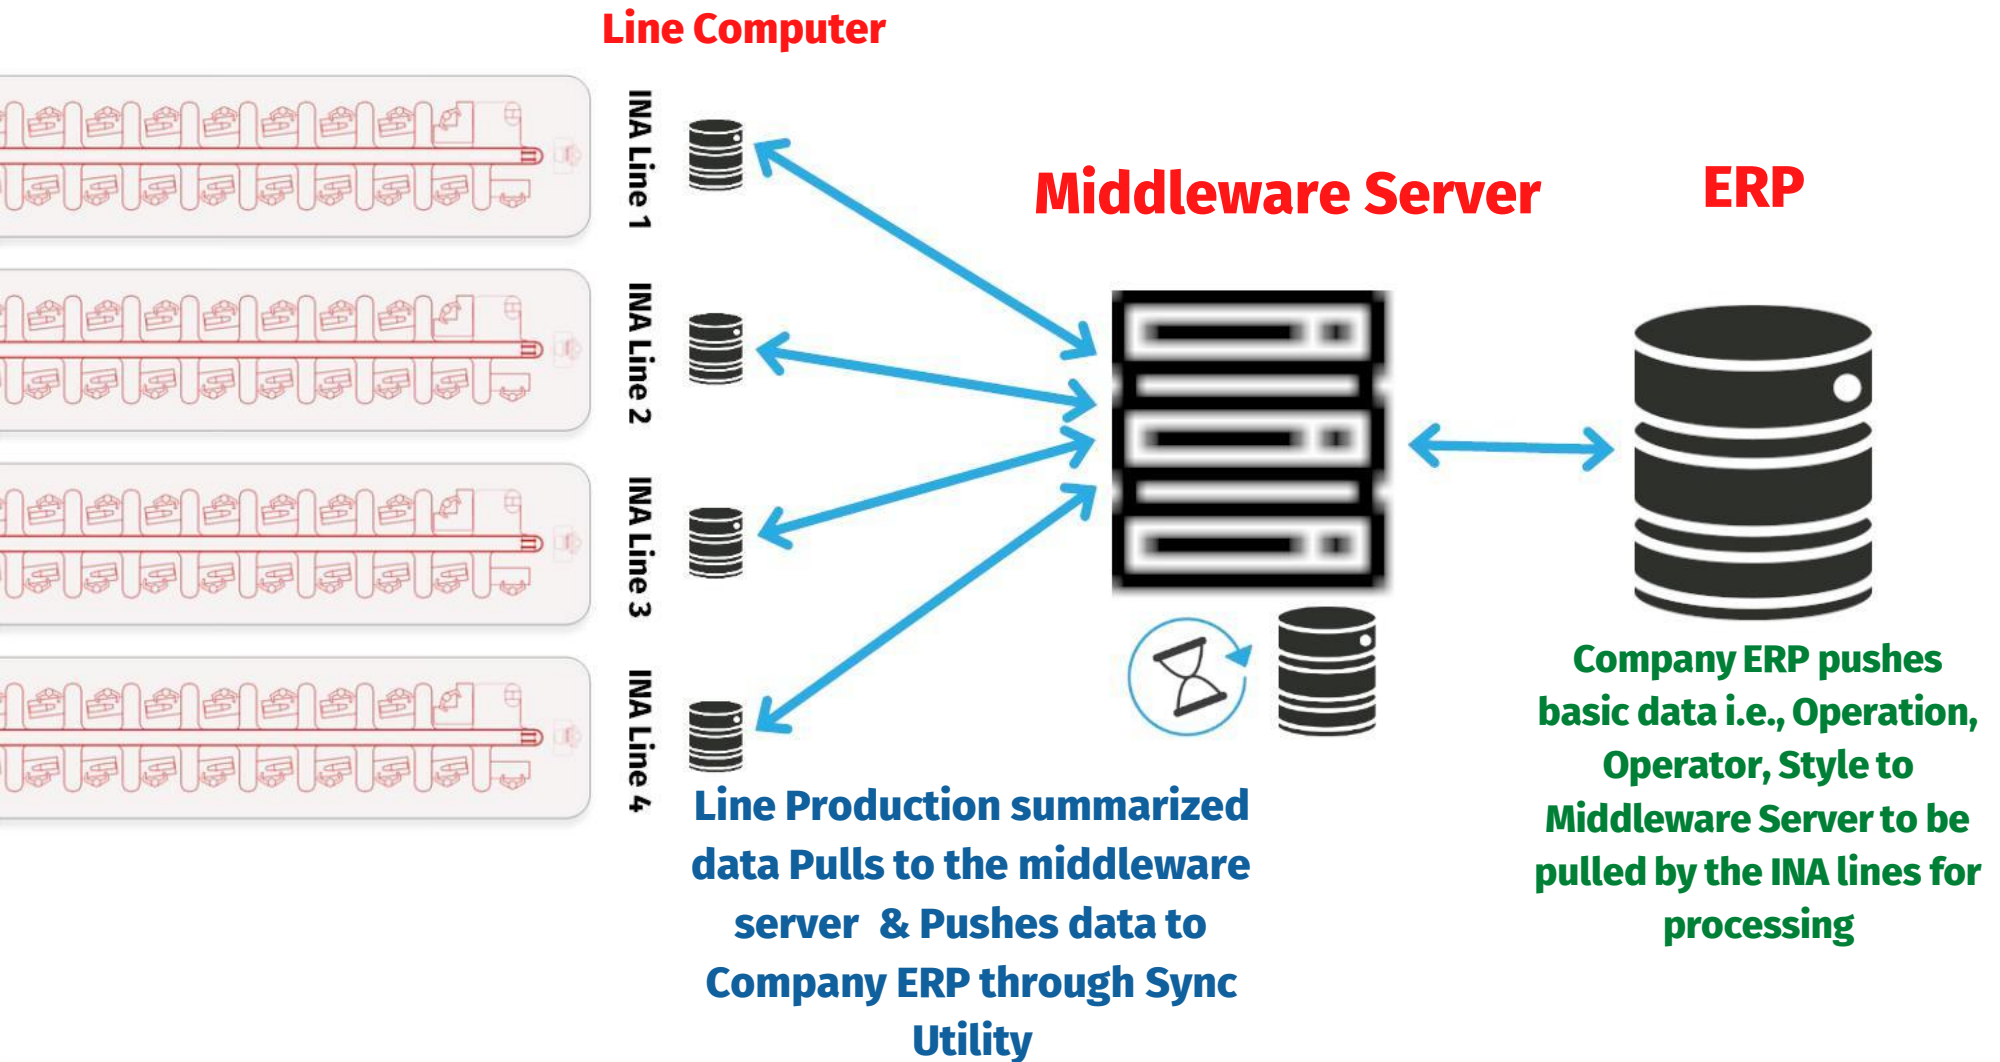

# DATA INTEGRATION

# Outline

- Online Data Collection from the INA lines
- 2-way Data Communication (from ERP to INA Lines, from INA lines to ERP)
- Standardization of data to INA lines
- Management Dashboards
- Analytic Dashboard
- Cutomized Report
